Development*

**LaSalle School's David Wallace and Troy Kennedy will
present updates on:**

- **Adverse Childhood Experiences, neuro-science / brain development and trauma;**
- **Application of trauma informed care to the daily work of residential counselors / child care workers;**
- **Parent education and family work in a trauma informed environment.**

Ocean Tides School and LaSalle School, Inc., are member agencies of the District of Eastern North America's Lasallian Association of Youth and Family Services. Founded by the Brothers of the Christian Schools, these agencies collaborate on best practices in residential and community based social services, in the context of the Lasallian Tradition. Agencies are located in New York, Pennsylvania, and Rhode Island.
